Access to BAMAN's emergency supplies is through the San Francisco Dept. of Emergency Management which is staffed when the Emergency Operations Center is activated, or after hours by the Sheriff's Office.

Please call ahead and bring your institutional ID to show the person on duty, who will have a list of all BAMAN members and provide access to the four (4) BAMAN supply bins.

Please quickly take an entire bin (even if you do not need all of the contents), and notify BAMAN coordinators within 24 hours. Forms are found inside each bin. Your institution is responsible for arranging to replace all of the items used within 30 days. BAMAN coordinators may be able to assist with returning the bins to the Operations Center.
